**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We have Sonic fiber internet and phone. The incredibly high-speed, wonderful local support, absolute reliability and low price are all quite the opposite of what we've received from AT&T, unreliable service at a high price, painfully slow speed dsl and poor support. We need cutting-edge companies like Sonic! The large companies have become too big to fix.
